ILDC Meeting Attendance: 32

June 16, 2021

- President Dale Frymyer called the meeting to order at 7:30 pm. Dale commented on the loss of 2 Indian Lake residents, Phyllis White and Don Eggenschwiller.
- The Secretary's report from May 19, 2021 was read. Motion made to accept by Pete Lowe, seconded by Ben Pile. Approved.
- Pat Blinn gave the Treasurer's report. Beginning balance on May 19, 2021 was $133,467.90. Corrections need to be made to the balance sheet. Updated report to be reviewed at July meeting.
- Dave Leiter reported we have 625 memberships.

Old Business:

- Cynthia Defibaugh reported that the delivery date has been set for the end of July and we will get the grey decking material. Dedication will probably take place the end of August. We have instructions on how to file the formal request so that ODNR will cut the $50k purchase order. It was decided that the paver blocks would be $300. There was a discussion on the price for the Memorial benches. We are still taking donations for the Fox Island Playground project.
- Dale reported that there were 12 participants in the Disc Golf Tournament held June 5th. $680 was raised and donated to the Chippewa Outreach Center. Each participant received a prize. Four sponsons have not paid for 2021.
- Financial Audit is scheduled for June 24th.
- Mark Savchitz said that a prototype of the Library Cabinet has been completed. He still needs to add a door. Mark said he would paint the box for waterproofing. He asked for contributions of scrap plywood to continue making the library cabinets.
- 20 ILDC shirts were ordered and delivered. Another request has come in, so we again need a minimum of 6 to place the order.
- After a brief discussion, it was determined that the target fund raiser at the Fall Festival would be for a Pickle Ball Court.
- ILDC Day is September 17th. Dave Leiter and family will again roast the chickens. A list is being prepared for "Save the Date" notices to go out. We will probably need to order a tent in addition to the shelter house. Also, need to make arrangements for Port of Potties.
- Dale Frymyer contacted The Solid Waste Recycling program. They have not issued any checks because they didn't make any money during Covid.
- Local contractors will help install the ramp & 2 piece pad for the 7th grade Robotics Class. Derek Gillespie is helping with the design.
- Dairy Queen donated $1000 worth of coupons for the Fox Island Project. Charlie Strete still has a number of them for sale at $10 each.

New Business:

- Motion was made by Jenny Ebner to donate $500 for the Fourth of July Fireworks. Seconded by Bob Easterday. Motion carried.
- There is still cleanup work to be done on Fox Island. In addition, the West and South banks as well as the spillway areas need attention.

Hiedie Whitman (State Park Manager) reported on State Park activities:

- The Indian Lake weed harvester and the State wide weed harvester are both on the lake weather permitting. The Scout is at Indian Lake Shores. The Chief is dredging the Moundwood ramp channel, the silt trap by Mound wood and the mouth of Dunns Pond. The Chief is pumping into the Moundwood DMRA. The Manchester DMRA is just starting to be used.
- The long reach excavator is being assembled. When delivered, it will help with shoreline cleanup and stump removal.
- Campground swing sets are done.
- The VIPS are in place and employees are hired.
- The new beach signs are in place.
- The pool is open.
- Heidi responded to a question about our Lake Patrol. We have 3 full time officers assigned to our area. Don Roberts if their Lieutenant.

Committee Reports:

- Jeff Garlock reported that 60 people showed up on May 21st for the Honda work day. They split up in groups and worked on the South and West shorelines. There were 9 trailer loads of brush and 20 trash bags filled. Another group painted restrooms in Area C of the campground.
- Randy Sullivan will set up another work day to finish up the cleanup at Fox Island.
- Dale Frymyer reported that there were two benches installed this past week. One on Pew Island and one on Paradise Island. There is one more to be installed. Discussion next meeting about benches on Fox Island. Suggested regular along the shoreline with larger donations around the playground.

Tom Stein made a motion to adjourn the meeting. Seconded by Pete Lowe. 8:45PM
Next meeting is July 21, 2021.
